Dear Dr. Birchett,

Thank you for this notification regarding the Alabama-Coosa-Tallapoosa (ACT) and Apalachicola-Chattahoochee-Flint (ACF) river basins projects. The Alabama-Coushatta Tribe of Texas is interested in the potential impacts of these proposals on ancestral territory.

The date for which you proposed for a government-to-government consultation with federally recognized Tribes unfortunately does not fit my schedule. I will be accompanying a delegation to Austin, Texas to meet with the Texas Military Forces.

Should this meeting continue to occur, please keep me advised of proceedings.
Once again, my appreciation for this notification.

Respectfully submitted,

Bryant J. Celestine
