NAVIGATION BULLETIN NO. 16-11

NOTICE TO NAVIGATION INTERESTS:

PASCAGOULA HARBOR, MS

Notice is given to mariners that there is a shoal in Horn Island Pass at the tip of Petit Bois Island on the eastern side of the channel at Buoys 17 and 18. The shoal extends in the channel approximately 125 feet and is approximately 600 feet in length. Mariners should exercise caution when transiting this area. Surveys of this area are available on the USACE Survey website link:

<http://www.sam.usace.army.mil/Missions/CivilWorks/Navigation/HydrographicSurveys.aspx>

The Weeks Marine dredge and associated plant have been released to perform emergency dredging in the Mississippi River and are expected to return within the next three months to finish dredging this shoal.

For further information please contact Steve Reid or Herb Bullock at the Irvington Site Office at (251) 957-6019.

CARL E. DYESS
