NAVIGATION BULLETIN NO. 14-07

NOTICE TO NAVIGATION INTERESTS:

### BLACK WARRIOR RIVER, ALABAMA

Notice is given to mariners that Huss Drilling, Inc. will perform river bottom soil sampling in the Black Warrior River at Manderson Landing, River Mile 340.5. The work location coordinates are: Latitude 33.221412 and Longitude -87.547300, near the left descending bank. This work is scheduled to begin at 7:00 A.M. on March 3, 2014 and will end by 5:00 P.M. on March 12, 2014. Huss Drilling, Inc. will utilize a 13 feet by 36 feet barge platform and will monitor VHF channel 9. Mr. Robert B. Huss, Jr. (cell 813-312-3232) will be onsite on the barge during the sampling operations. The barge platform will be moored to the shore near the project site and marked with illuminated white lights identifying the barge corners at night.

Mariners are urged to exercise extreme caution when transiting this area. For additional information, contact Mr. Brian Wysock of TTL, Inc., formerly Tuscaloosa Testing Laboratory, at 205-343-0623.
