**NAVIGATION BULLETIN NO. 16-10**

**NOTICE TO NAVIGATION INTERESTS:**

**DEMOPOLIS LOCK, TOMBIGBEE RIVER, ALABAMA**

**POSSIBLE DELAYS AT DEMOPOLIS LOCK**

Notice is given to mariners that survey contractors will be performing the PICES alignment surveys at Demopolis Lock and Dam, river mile 213, the week of February 8, 2016. There will be potential delays of 6-7 hours to traffic a couple of times during that period. Users should contact the lock operators at these sites to receive an update on the status of the work and possibilities of any delay.

Mariners are urged to exercise caution when transiting this area.

For additional information, contact Mr. Anthony Perkins at the BW&T/Alabama-Coosa Project Management Office (CESAM-OP-BA) at (205) 752-3571.

CARL E. DYESS  
Chief, Navigation Section
