**POSSIBLE DELAYS AT GLOVER WILKINS AND AMORY LOCK**

Notice is given to mariners that survey contractors will be performing the PICES alignment surveys at Glover Wilkins Lock and Dam, mile 376.3, the week of January 5-10, 2016. In addition, PICES surveys will be performed at the Amory Lock and Dam, mile 371.1, the week of January 11-16, 2016. There will be potential delays of 6-7 hours to traffic a couple of times during that period. Users should contact the lock operators at these sites to receive an update on the status of the work and possibilities of any delay.

For further information please contact Mr. Allan Brewer at the Tennessee-Tombigbee Project Management Office at (662) 327-2142.
