June 28, 2016

TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 16-41

NOTICE TO NAVIGATION INTERESTS:

**FOWL RIVER, ALABAMA**  
**MON LOUIS ISLAND RESTORATION**

Notice is given to mariners that Orion Marine Construction will construct a breakwater near Mon Louis Island beginning on or around July 5, 2016. The dredge "JERI-B" will begin dredging Fowl River on or around August 15, 2016 and disposing material onto Mon Louis Island. Work is expected to be completed by September 30, 2016. The dredge will be working 24 hours per day, 7 days per week and monitoring VHF stations 13 and 16. Traffic is requested to transit this area with caution at no wake speed.

For further information please contact the Project Manager from Orion Marine Construction, Jared Rackley, at (904) 868-9498.

CARL E. DYEES  
Chief, Navigation Section
