**U.S. ARMY CORPS OF ENGINEERS**

**BUILDING STRONG®**

August 24, 2016

**TECHNICAL SUPPORT BRANCH**

**NAVIGATION BULLETIN NO. 16-46**

**NOTICE TO NAVIGATION INTERESTS:**

**SELDEN LOCK, TOMBIGBEE RIVER, ALABAMA**

**POSSIBLE DELAYS AT SELDEN LOCK**

Notice is given to mariners that survey contractors will be performing the PICES alignment surveys at Selden Lock and Dam, river mile 261, from August 29, 2016 to September 2, 2016. There will be potential delays of 4-5 hours to traffic a couple of times during that period. Users should contact the lock operators at these sites to receive an update on the status of the work and possibilities of any delay.

Mariners are urged to exercise caution when transiting this area.

For additional information, contact Mr. Anthony Perkins at the BW&T/Alabama-Coosa Project Management Office (CESAM-OP-BA) at (205) 752-3571.

CARL E. DYESS  
Chief, Navigation Section
