BUILDING STRONG®

West Point Lake Cleanup

Saturday, September 28, 2013
8:30 am - Noon

Lunch and beverages will be served at 12:30 at Pyne Road Pak Courtesy of Wendy's on Lafayette Parkway and Coke

We are searching for hard working volunteers to assist in a truly community-wide effort to clean up the shoreline of West Point Lake. West Point Lake is a tremendous asset to our community, and we need your help to beautify and protect it!!! Unfortunately, many visitors, up river as well as locally, abuse it. There is a tremendous amount of work to be done; and WE NEED YOU!

West Point Lake is truly a jewel in our community. Over two million fishermen, boaters, campers and other recreators visit the shores of West Point Lake every year. West Point Lake has also crossed television screens across America as a Bassmaster Elite Series tournament site twice in the last few years. We want them to see a beautiful, pristine lake with miles of spotless shoreline.

With your help and support, we hope to make this the biggest and most successful lake clean up to date and ensure that West Point Lake is a clean, safe lake for everyone to enjoy throughout the year. We acknowledge and thank our corporate sponsors for their support in this annual effort: Wendy's on Lafayette Parkway, Coke, West Point Lake Coalition, Chattahoochee Riverkeepers and the U.S. Army Corps of Engineers.

For additional information, to become a corporate sponsor, or to volunteer your business, service club, or organization, please call Rocky Millenbine, Park Ranger 706-645-6113 email rocky.g.millenbine@usace.army.mil. Due to the need to provide accurate numbers for food and drinks the deadline to volunteer will be September 13, 2013.

TOGETHER WE CAN AND WILL MAKE A DIFFERENCE!
