

Corps of Engineers Annual Passes

Annual Passes are available by phone, mail, or at the Carters Lake Visitor's Center located near Carters Dam. Privately owned vehicles that display a Corps of Engineers Annual Pass may enter any Corps facility that charges a day use fee at no cost. This includes boat launching ramps, beaches and other day use areas that charge a day-use fee. Permits are \$30.00 and will be valid for 12 months from the month of sale. Annual passes are designed to be hung on the rearview mirror.

Persons with Golden Age/Access and America the Beautiful Passports will receive a 50 percent discount on the purchase of an annual pass. Passport cardholders must purchase annual passes in person at the Visitor Center.
