Facility Support

The following map depicts the Facility Support contracts that provide operation and maintenance services (NAICS 561210) for the Mobile District. These projects are concentrated at Lakes and Recreational areas.

All contracts are set-aside for small business except Carters and Seminole Lake projects which are Hub zone set asides.

All contracts re-procure at 5 year intervals except W91278-03-C-0017 and W91278-02-C-006, which are 10 year contracts. However, they both will re-procure for five years.
