NAVIGATION BULLETIN NO. 04-45

NOTICE TO NAVIGATION INTERESTS:

BILOXI APPROACH CHANNELS, BILOXI, MS

The Pipeline Dredge "KELLY L" is currently mobilizing to the Biloxi East Approach Channel. Dredging is expected to begin in the East Approach Channel on or around October 04, 2004. This operation is expected to continue through November 12, 2004. The "KELLY L" will then mobilize to the West Approach Channel and begin dredging on or around November 13, 2004. This operation is expected to continue through November 30, 2004. The dredge will be placing material in open water sites adjacent to each channel. The dredge will have floating and submerged pipeline in addition to numerous support vessels that will be lighted in accordance with the U.S. Coast Guard safety regulations. The dredge can be contacted on VHF-FM Channels 13 and 16.

Mariners are urged to exercise extreme caution when transiting this area.

For further information on the dredge and attendant plant location please contact the Irvington Site Office at (251) 957-6019.
