

## CONSTRUCTION QUALITY MANAGEMENT FOR CONTRACTORS

10/19/2012

The Mobile District has scheduled six "Construction Quality Management for Contractors" classes during Fiscal Year 2013. These classes will be conducted on the following dates:

**November**  
**January**  
**March**  
**May**  
**July**  
**September**

The location of these classes will be in Mobile, Alabama 36608 at ASHBURY HOTEL AND SUITES, 600 W. I-65 SERVICE Rd. S. of Beltline, 251-344-8030 RM: Jasmine 1

Class hours will be:

Day 1 - 7:30 - 8:00 Registrations

8:00 - 5:00 Class Time

Day 2 - 8:00 - 1:00 Class Time

This course is presented to allow contractors to meet Corps' construction contract requirements for the training of contractor quality control personnel. Corps of Engineers Guide Specification CEGS-1451, entitled "Contractor Quality Control", April 1997, requires approval of the contractor's quality control manager being contingent upon the successful completion of this course.

### **Course Information:**

CONSTRUCTION QUALITY MANAGEMENT FOR CONTRACTORS (Revised 2004).

784/CEMP-CE

Training Length: 16 hours

Video Run Time: 1.25 hours

Continuing Education Units: 1.3

Qualified as meeting Florida Licensing Board of Contractors training requirements.

**Purpose:** This course familiarizes contractor personnel with Corps of Engineers Construction Quality Management concepts and procedures.

**Description:** This training is divided into these areas of instruction: (1) Introduction; (2) Contractor's Review; (3) Quality Management Planning; (4) Preconstruction Conference and Coordination Meeting; (5) Submittals; (6) Quality Management during Construction; (7) Making the System Work; and (8) the Resident Management System. Each module is further divided into submodules.

**General:** This course is a facilitated video course containing eight modules, which are further divided into submodules. Each module/submodule includes an introduction, a short video clip, and a short reading segment followed by class discussion. This course is designed to involve the student in the learning and teaching process by interaction, relevant examples and active participation. A practical exercise is included where students are divided into teams, which then hold a preparatory control phase meeting.

Students will be provided with a student workbook. To successfully complete this course, the student must be present for all sessions and achieve a passing grade of 70 on the written test given at the end of the course. A certificate will be issued to all students who satisfactorily complete the course. This certificate is valid for 5 years.

**Costs: \$200 per student. All fees are NON-REFUNDABLE and must be submitted with your registration form. No refund will be given but a student can reschedule a class. Checks or money orders should be made payable to "F and A Officer, Mobile District". Checks, if mailed must be mailed to: U.S. Army Corps of Engineers-Mobile District P.O. Box 2288 (Attn: CD - M, CQM Class) Mobile, AL 36628**

A group check or money order can be used to cover more than one participant from the same organization. No payment will be acceptable at the start of the class.

**Notice:** Any scheduled class is subject to cancellation if there are less than 10 confirmed registrants within 2 weeks of the scheduled date of the class. Student must reschedule or cancel a class 10 days prior to the beginning of a class date.

If you have any questions, please call (251) 690-2482.
