Mobile District Safety and Occupational Health Office
Skin Protection

Bulletin 02-09

The 15 September 2008 Safety Manual (Yellow Book) is now in effect for most new contracts and government operations. Please note the change for skin protection as stated below.

03.A.05 Before commencing use of epoxy resins, concrete, or other dermatitis-producing substances, employees shall be made aware of the manufacturers' skin protection recommendations. Barrier cream ointment or other skin protection measures recommended by the manufacturer for the specific exposure shall be available for use.
