Welding Protection

Bulletin 16-09

The 15 September 2008 Safety Manual (Yellow Book) is now in effect for most new contracts and government operations. Please note the changes for welding protection as stated below.

10.A.04 Arc welding and cutting operations shall be shielded by noncombustible or flameproof screens that will protect employees and other persons working in the vicinity from the direct rays of the arc, sparks, molten metal, spatter, and chipped slag.
