Temporary Closures at Lake Lanier

MOBILE, Ala. – The U.S. Army Corps of Engineers (USACE), Mobile District, which oversees operations of numerous recreation sites throughout the southeast, will temporarily close several recreation areas ahead of the 2025 recreation season.

We will be continually assessing and reassessing these temporary closures throughout the summer. We encourage visitors to check the current operational status of Corps managed recreation areas at Lake Lanier for any restrictions or safety alerts prior to visiting.

Campgrounds are open and are not planned to close.

The following parks with their respective boat ramps are **closed**:

- | | |
|-------------------------|------------------------------|
| - Burton Mill | - Old Federal Day Use |
| - Keith's Bridge | - Robinson |
| - Little Hall | - Two Mile |
| - Little River | - Van Pugh North |
| - Long Hollow | - Van Pugh South |
| - Mountain View | |

The following parks with their respective boat ramps are **open**:

- | | |
|-----------------------------|-----------------------------|
| - Balus | - Nix Bridge Park |
| - Belton | - Simpson |
| - Bolding Mill Multipurpose | - Sardis Creek |
| - Buford Dam Park | - Thompson Bridge |
| - Duckett Mill Multipurpose | - Thompson Creek Park |
| - East Bank Park | - Tidwell |
| - Lanier Park | - Toto Creek Multipurpose |
| - Little Ridge | - Vann's Tavern |
| - Lower Pool West | - West Bank |
| - Lower Overlook | - West Bank Scenic Overlook |
| - Lula | |

The temporary closures will remain in effect until we can adequately address the staffing shortages. Visitors are encouraged to check our website or social media channels for updates regarding the reopening of the parks and for any alternative recreational options in the area.

We appreciate the community's understanding and support during this challenging time.

For further information, please contact the Public Affairs Office at cesam-pa@usace.army.mil.

-30-

With an area of operation across Alabama, Mississippi, Georgia, and northern Florida, and a vast military region that includes operations across Central and South America, the Mobile District's award-winning teams of engineering, construction, regulatory and emergency management professionals are nationally recognized for their leadership in delivery of the U.S. Army Corps of Engineers' civil works and military programs missions to the Nation.
