

United States Army Corps of Engineers (USACE)

National Deep Draft Navigation Planning Center of Expertise (NDDNPCX)

Virtual Navigation Library

BACKGROUND: Information in this virtual library is hyperlinked to various USACE and other websites that are open to the public but sometimes difficult to locate. The items are arranged alphabetically for user convenience (SEE DISCLAIMER BELOW).

CONTACT: Please send your questions or needs for specific information/websites to the NDDNPCX email address: ddnpcx@usace.army.mil.

Disclaimer of Endorsement:

Information posted on the NDDNPCX website includes hypertext links or pointers to information created and maintained by other public and/or private organizations. The NDDNPCX provides these links and pointers solely for our users' information and convenience. When users select a link to an external website, they are leaving the NDDNPCX site and are subject to the privacy and security policies of the owners/sponsors of the external website.

- The United States Army, USACE, and NDDNPCX **do not** control or guarantee the accuracy, relevance, timeliness or completeness of information contained on a linked website.
- The United States Army, USACE, and NDDNPCX **do not** endorse the organizations sponsoring linked websites, and **do not** endorse the views expressed or products offered therein.
- The United States Army, USACE, and NDDNPCX **cannot** authorize the use of copyrighted, trademarked, and service marked materials contained in linked websites. Users must request such authorization from the sponsor of the linked website.
- The United States Army, USACE, and NDDNPCX **are not** responsible for transmissions users receive from linked websites.
- The United States Army, USACE, and NDDNPCX **do not** guarantee that external websites comply with Section 508 (Accessibility Requirements) of the Rehabilitation Act.

Evaluation Criteria:

The linking process used for the virtual library is found at <http://www.usa.gov/About/Linking-Policy.shtml>. The NDDNPCX staff evaluates all links using the following criteria:

- Is the website an official government-owned or supported website? If not, does the website provide government information and/or services in a way that is not available on an official government website?
- Does the website complement existing information on <http://www.sam.usace.army.mil/Missions/NationalCentersinMobile/DeepDraftNavigation.aspx>?
- Is the website accessible and applicable to a wide audience?
- Is the website's content relevant, useful and authoritative for citizens, businesses and/or government officials?
- Does the website's information appear to be accurate and current?
