Salary Range: \$35,499 - \$43,590

This employment opportunity is being completed under the Direct Hiring Authority for Critical Hiring Need NTE 18 months Positions

About the position:

Incumbent will perform the full range of Park Ranger duties to include direct support of the recreation program. Incumbent will provide visitor assistance, public safety and resource protection. Incumbent may conduct interpretive programs, perform administrative duties and assist with other duties as assigned.

*Type of position: Temporary Not to Exceed 12 months. Position may be extended for an additional 6 months for a total of 18 months.

Work Schedule: Full-time

Conditions of Employment:

Required to wear prescribed uniform.

Possession of or the ability to acquire a state driver's license.

Incumbent is required to work in adverse weather conditions (e.g., heat, cold, rain, wind, etc.).

Ability to work nights and/or weekends depending on the needs of the project to which the employee is assigned.

In order to qualify for the GS-0025-03 position, you must also meet the following qualification requirements listed below:

General and/or Specialized Experience:

Six months of general experience which includes Experience in administrative, professional, technical, investigative, or other responsible work that provided a familiarity with natural or cultural history; fish or wildlife habitat characteristics; techniques of resource protection and use; recreational use of public lands and facilities; enforcement of laws, rules, or regulations; fire prevention techniques and fire suppression methods; or the practice of interpersonal relations skills in dealing with the general public. Experience in substantive and relevant secretarial, clerical, or trades and crafts work is also qualifying if pertinent to the position to be filled. Experience of a routine nature, such as typing, filing, maintaining records, or other non-specialized tasks is not qualifying;

AND

three months of specialized experience which includes Experience in technical, administrative, or scientific work, fish and wildlife management, recreation management, law enforcement, or other park-related work as qualifying with specific examples such as park guide or tour leader; law enforcement or investigative work; archeological or historical preservation research work; forestry and/or fire management work in a park, recreation, or conservation area; or management, assistant, or program specialist work involving the development and implementation of policy related to protection, conservation, or management of park areas or similar operations.

OR

Education: One year of education above the high school level with six semester hours of related course work in natural resource management, natural sciences, earth sciences, history, archeology, anthropology, park and recreation management, law enforcement/police science, social sciences, museum sciences, business administration, public administration, behavioral sciences, sociology, or other closely related subjects pertinent to the management and protection of natural and cultural resources.

OR

Combination of Education and Experience: A combination of education and experience may be used to qualify for this position as long as the computed percentage of the requirements is at least 100%. To compute the percentage of the requirements, divide your total months of experience by 9. Then divide your semester hours of education by 30. Add the two percentages.
