

**SPRING-SUMMER 2021 PARK ATTENDANT INFORMATION
FOR
U.S. ARMY CORPS OF ENGINEERS, MOBILE DISTRICT**

The following information will apply for the Spring-Summer 2021 Park Attendant Contractor Contracts.

There will be a total of **74** contracts available for bid. They are as follows:

ALABAMA RIVER LAKES will have **10** Park Attendant Positions.

ALLATOONA LAKE will have **12** Park Attendant Positions.

BUFORD DAM/LAKE LANIER will have **12** Park Attendant Positions.

LAKE SEMINOLE will have **4** Park Attendant Positions.

OKATIBBEE LAKE will have **2** Park Attendant Positions.

TENNESSEE TOMBIGBEE WATERWAY will have **16** Park Attendant Positions.

WALTER F. GEORGE will have **10** Park Attendant Positions.

WEST POINT will have **8** Park Attendant Positions.

PLEASE NOTE: Due to budget constraints for the operation of Government parks, it is requested that you quote your “Best Possible Price.” **Bids are due back into the Contracting Office by 2:00PM CDT, Friday, October 30, 2020.**

The solicitation includes various contract clauses, one Scope of Work, and individual Local Policies for each particular Park Attendant Position. It is important that you review this information.

Please refer to the “Local Policies” for the following information:

1. Details on work hours and description of duties and facilities.
2. Name and telephone number for a point of contact at each park.

There is also information in the Scope of Work regarding the documentation required for a Park Gate Attendant Position. All required documentation for Park Attendant Positions must be submitted to this office **BEFORE COMMENCEMENT OF WORK.**

Last...but “Most important” ...you are strongly urged to provide a telephone number where you may be reached on the date of **Tuesday, November 10, 2020**, for contract award. If attempts to reach you are unsuccessful, you may not receive a contract award for this Park Attendant season.
