

DAILY CONTRACTOR QUALITY CONTROL REPORT

Description of Work

Mobile Harbor Rental

Contract No: W91278-13-D-0005

DATE: 7/18/2013

REPORT # 17

Weather: Overcast Seas: SE 3-5'
Wind: SE 15-30kts Rainfall: Trace

- Weather Classification: A
Class A No interruptions of any kind from weather conditions occurring on this or previous shifts.
Class B Weather occurred during this shift that caused a complete stoppage of work.
Class C Weather occurred during this shift that caused a partial stoppage of work.
Class D Weather overhead excellent or suitable during shift. Work completely stopped due to results of previous adverse weather.
Class E Weather overhead excellent or suitable during shift but work partially stopped due to previous adverse manner.
Other Explain

1: Contractor/Subcontractor and Area Of Responsibility For Work Performed Today

- A. Manson Construction Co. Hopper Dredge Glenn Edwards
B. Survey Boat/Crewboat Speedy M

2: Work Performed Today: (Indicate location and description of work performed . Refer to work performed by prime and/or subcontractors by letter in table above.)

Table with 4 columns: Category, Loads Dredged, Loads Dumped, Date. Includes rows for 'Dredge GLENN EDWARDS dredging stations' and 'Dredging stations: 433+00 to 397+00'.

B

3: Type And Results Of Inspection: (Indicate whether: P-Preparatory, I-Initial, or F-Follow-up and include satisfactory work completed or deficiencies with action to be taken.)

I

4: Tests performed as required by plans and/or specifications and results of tests:

5: Verbal Instruction Received: (List any instruction given by government personnel on construction deficiencies, re-testing required, etc., with action to be taken)

Dredge the Eastern Approach channel only.

6: Remarks: (Cover any conflicts in plans, specifications or instructions: acceptability of incoming materials: offsite surveillanceactivities: progress of work, delays, causes and extent thereof: days of no work with reasons for same.)

End of contract at 0700

7: Safety Inspection: (include any infractions of approved safety plan, safety manual, or instructions from Government personnel. Specify corrective action taken.)

Summary table with 4 columns: Category, Day, Month, To Date. Rows include Supervisor 2, Skilled 16, Unskilled 1, and Total.

CONTRACTOR'S VERIFICATION: The above report is complete and correct and equipment used and work performed during this reporting period are in compliance with the contract plans and specifications except as noted above.
