**Notice of Public Comment Period for the Former
Memphis Depot Finding of Suitability to Transfer (FOST 5)**

The Defense Logistics Agency will hold a 30-day public comment period beginning March 22, 2010, and ending April 20, 2010, to provide citizens the opportunity to comment on the Finding of Suitability to Transfer for the remaining portion of Dunn Field.

FOST 5 consists of approximately 24.5 acres of undeveloped property at Dunn Field. The U.S. Environmental Protection Agency and the Tennessee Department of Environment and Conservation have reviewed and approved the document.

The FOST 5 document will be available for public review from
8:30 a.m. to 5 p.m. at:
