MEMORANDUM FOR: JIM COVINGTON, Depot Redevelopment Corporation

SUBJECT: Adjournment of BRAC Cleanup Team Defense Depot Memphis, Tennessee

Please be advised that effective December 31, 2010, the BRAC Cleanup Team (BCT) at the former Defense Depot Memphis, Tennessee (DDMT) will be adjourned. The U.S. Environmental Protection Agency (USEPA) and the Tennessee Department of Environment and Conservation (TDEC) will continue providing oversight on the remedial actions currently operating. John P. DeBack will assume the role and responsibilities of Project Manager for the Department of Army effective December 17, 2010.

Contact information for the USEPA, TDEC and Mr. De Back are as follows:

Turpin Ballard
Remedial Project Manager
USPA Region 4
Federal Facilities Branch
61 Forsyth Street
Atlanta, GA 30303
(404) 562-8553
