**Re: FSVE Annual Operations Report, 2009-10 (Year 3)  
Dunn Field - Defense Depot, Memphis Tennessee (DDMT)**

Dear Ms. Jones,

TDEC-DoR has reviewed the contents of the **Year 3 FSVE Annual Operations Report (2009-10)** for Dunn Field, as compiled by T. Holmes (HDRinc), and approves the document and recommendations. These primarily include the installation of additional SVE wells for passive venting and/or alternate vapor extraction locations, which are proposed in the FSVE Rebound-Soil Sampling Work Plan. If there are questions or comments, please contact me at (901) 371-3041 or at [Jamie.woods@tn.gov](mailto:Jamie.woods@tn.gov).

Sincerely,

Jamie A. Woods, P.G.  
Project Manager  
Division of Remediation  
Memphis Environmental Field Office
