**SUBJECT: Close Out BRAC Cleanup Plan, Rev.1, Former Defense Depot  
Memphis, Tennessee**

1. The purpose of this memorandum is to submit the Close Out BRAC Cleanup Plan for the Former Defense Depot Memphis Tennessee. The BRAC Cleanup Team (BCT) concurred to adjourn at its 11 February 2010 meeting. This Close Out BCP fulfills requirements of the Defense Management Guidance for the Defense Environmental Restoration Program (DERP) dated September 2001) in response to completion of the BRAC property transfer process at the site. This revision incorporates approved responses to comments from U.S. Environmental Protection Agency on the master schedule (Figure 5-1) and the transfer of responsibility for environmental restoration from the Defense Logistics Agency to the Department of the Army.

2. For more information, please contact the HDR Project Manager, Tom Holmes, at (404) 237-3982.
