## **Notice of Public Comment Period and Public Meeting**

### **The Memphis Depot**

#### **Re: Cleanup of Old Paint Shop and Maintenance Area**

Be advised that the Memphis Depot will hold a public comment period and public comment meeting to allow citizens the opportunity to provide comments on proposed cleanup alternatives for the old paint shop and maintenance area at the southwest corner of the Depot.

The Engineering Evaluation/Cost Analysis (EE/CA) is a document that describes the environmental condition of an area and provides cleanup alternatives. This EE/CA will be available for public review at our four Information Repositories at the Memphis Depot, Cherokee Branch Library, Main Branch Library and the Memphis/Shelby County Health Department beginning May 17, 1999 for a 30-calendar-day period. The public can respond in writing during this period to:

Mr. Shawn Phillips  
BRAC Environmental Coordinator  
The Memphis Depot  
2163 Airways Blvd., Bldg. 144  
Memphis, TN 38114-5210

Verbal comments to this EE/CA can be made on the Depot's Environmental Information Line at (901) 544-0618.

#### **Please come to the public comment meeting to:**

- Learn about this cleanup project at the Memphis Depot.
- Be involved in the decision making process.
- Gain information for a better understanding of environmental issues in your neighborhood.
