

**Notice of Public Comment Period (July 25 to August 23, 2002)  
and Public Comment Meeting (August 15, 2002)**

**The Memphis Depot**

**RE: Removal of Surface Soil Containing Lead at the  
Former Pistol Range on Dunn Field**

The Memphis Depot will hold a public comment period and a public comment meeting to allow citizens the opportunity to provide comments on the proposed cleanup alternative for the removal of surface soil containing lead at the former pistol range on Dunn Field. This area is located at the northeast section of Dunn Field.

The Engineering Evaluation/Cost Analysis (EE/CA) is a document that describes the environmental condition of an area and provides cleanup alternatives. The EE/CA for this project will be available for public review at the Depot's three Information Repositories located at the Memphis Depot, Cherokee Branch Library and the Memphis/Shelby County Health Department beginning July 25, 2002, for a 30-day period. Comments will be accepted by phone, fax or mail, and should be directed to the attention of:

Mr. Clyde E. Hunt, Jr.  
Remedial Program Manager  
The Memphis Depot  
2136 Airways Blvd.  
Memphis, TN 38114  
Ph: 901-544-0617  
Fax: 901-544-0638

Responses to verbal and written comments relative to this cleanup project received from the public will be available at the Depot's Information Repositories after the public comment period.
