

Record of Decision Approved for Dunn Field

Notification of the Department of the Army's and Defense Logistics Agency's intent to provide the Record of Decision (ROD) for Dunn Field (DF), at the former Defense Distribution Depot Memphis, Tennessee. U.S. Environmental Protection Agency (EPA) Identification Number: TN4210020570.

This decision document presents the selected cleanup remedies for Dunn Field at the Memphis Depot. The actions outlined in the ROD were chosen in accordance with the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments Reauthorization Act, and, to the extent applicable, the National Oil and Hazardous Pollution Contingency Plan. This decision is based upon the Administrative Record for Dunn Field, including EPA Policy, Land Use in the CERCLA Remedy Selection Process (Office of Solid Waste and Emergency Response Directive No. 9355.7-04). This policy provides for consideration of the likely future land of the Memphis Depot when selecting the remedy.

The State of Tennessee, Department of Environmental and Conservation (TDEC) and EPA concur with the selected remedies.
