Dear Mr. Foster:

The U.S. Environmental Protection Agency (EPA) has reviewed the U.S. Department of the Army's responses to U.S. EPA's comments on the 2018 Community Involvement Plan for the Former Defense Depot of Memphis, Tennessee, June 2018.

EPA provides conditional approval with the understanding that the final revised CIP will be added to the DDMT IR. EPA agrees that an update to the CIP will be conducted following Five Year Reviews for the DDMT Site, where community input will be sought.

Should you have any questions or concerns, please feel free to call me at on my cell number 404-229-9500.

Sincerely,

Diedre Lloyd
