SUBJ: Concurrence with Interim Record of Decision, Operable Unit 1
Defense Distribution Depot Memphis, Tennessee

Dear Col. Kennedy:

The U.S. Environmental Protection Agency (EPA) Region IV has reviewed the above referenced decision document and concurs with the Interim Record of Decision (IROD) for groundwater at Operable Unit 1, Dunn Field, as supported by the Remedial Investigation in progress.

The selected remedy is Alternative 8 in the IROD. EPA concurs with the selected remedy as detailed in the IROD with the following stipulation: *It is understood that the selected interim remedy for Operable Unit 1 may not be the final remedial action to address all media potentially affected by past disposal practices at this unit.*

This action is protective of human health and the environment, complies with Federal and State requirements that are legally applicable or relevant and appropriate to the remedial action and is cost effective.

Sincerely,

Richard D. Green
Acting Director
Waste Management Division

cc: Jordan English, Tennessee Department of Environment & Conservation
