Dear Mr. Phillips:

Thank you for your participation at the February 1998 Greater Memphis Area Environmental Justice Work Group Meeting. As you will recall, during that meeting subgroups were formed (a list is attached for your information). I hope that you are progressing towards the goal(s) of your subgroup. In preparation for the next work group meeting, I am requesting subgroup updates.

Because I would like to distribute this information to each work group member by July 20th, please provide an update by July 6th to:

Michael Grayson
Agency for Toxic Substances and Disease Registry
1600 Clifton Road, N.E. (MS E-56)
Atlanta, GA 30333

It would be helpful if your update contains:

- a) name of work group
- b) participants
- c) goal(s)
- d) activities conducted to date, and
- e) planned actions.

Additionally, the ATSDR is beginning to plan the next work group meeting (which I anticipate will be in September). I will notify you soon with a meeting date confirmation and other meeting logistics.
