Non-Stockpile Chemical Materials  
Aberdeen Proving Ground, MD

Dear Louise:

DDMT-CCC, a non-profit community group, requests that you come to Memphis, Tennessee on July 17, 1998 to educate people on Non-stockpile Chemical Materials. This community is an adversely effected area around the Defense Depot Memphis Tennessee, where a wide array of chemical warfare weapons and materials were disposed by burial and other methods from 1942 until recently.

Thankyou,

  
Doris Bradshaw,  
President, DDMT-CCC
