Restoration Advisory Board (RAB) Meeting & Community Information Session

RAB Meeting

When: Thurs., Sept. 17, 1998 6pm
Where: The Depot 2163 Airways Blvd.
Memphis, TN

Community Information Session

When: Sat., Sept. 19, 1998, 10 am-4pm
Where: Corry Junior High
2230 Corry Road
Memphis, TN

The Restoration Advisory Board (RAB) consists of community representatives working with the Depot's Environmental Division on all matters relating to the Depot's environmental cleanup program. Meetings are open to the public and the Depot invites and encourages active participation from community members.

The Community Information Session, Saturday, September 19th from 10 a.m. to 4 p.m., is set up like an open house in Corry's cafeteria. Representatives from the U.S. Environmental Protection Agency, the Tennessee Department of Environment and Conservation, the RAB, The Agency for Toxic Substances and Disease Registry, The Memphis/Shelby County Health Department as well as other community groups and agencies will host information displays highlighting various projects and aspects related to restoring, reusing and revitalizing the Depot site. Drop by on Saturday to ask questions about the program and tell us about your concerns.

For more information please call Alma Black Moore, Community Relations Specialist at (901) 544-0613.
