Citizen Representative Needed for RAB

The Restoration Advisory Board works with the Memphis Depot's Environmental Division on all matters relating to our environmental restoration program. The RAB was formed to review documents and work plans, and to share information on the Depot's activities with members of the community.

The Memphis Depot RAB has 20 citizen and regulatory members who actively participate and attend our monthly meetings. We now have a citizen representative position available on the RAB.

If you are interested in being considered for this volunteer position on the Memphis Depot RAB, please pick up an application at the Depot, 2163 Airways Boulevard, Memphis, Tennessee, or call Alma Black Moore, Community Relations Specialist, at (901) 544-0613 so that an application can be mailed or faxed to you. All applications must be received by October 31, 1998.
