RE: Unknown Discharge Investigation
1800 Block Rozelle
Shelby County

Dear Mr. Waters:

On October 25, 1993, personnel from this Division investigated the above referenced site concerning a possible illegal discharge as a result of your letter of referral.

At the time of our investigation, there was no flow in the waterway and no evidence of illegal discharge was observed. We will attempt to reinvestigate this site after the next rainfall event that produces runoff.

If you have any questions concerning this matter, contact me at (901) 543-6695.

Sincerely,

A handwritten signature in cursive script that reads "Lew E. Hoffman".
