Re: Review of Sampling & Analysis Plan for Contaminated Soil Remediation at the
Family Housing Area, May 1998, Defense Depot Memphis, # 79-736, cc 82.

Dear Mr. Phillips,

The Tennessee Department of Environment and Conservation has completed a review of the document referenced above which was received in this office on 5/27/98.

Other than the two typos I discussed with you on the phone this day TDEC has no comments. The document appears to be very well written. You have TDEC approval to implement the sampling and removal activity. Please keep us advised of the schedule and any changes to it

If you have any questions please call at (901) 368-7953.

Sincerely,

A handwritten signature in black ink, appearing to read "Jordan English".
