SUBJECT: Information/response to comments and questions from RAB meetings

Please review the enclosed information in response to questions and comments from our RAB meeting June 17 and July 15.

Mr. Ken Bradshaw asked if and where directives for the Department of Defense (DoD) or Defense Logistics Agency (DLA) were mentioned in the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). Please refer to page 17, lines 1-5 of the July RAB minutes and page 12, lines 6-16 of the June RAB minutes for comments from Mr. Bradshaw. The enclosed copy of *Section 120 of the CERCLA, as amended through September 25, 1996, Title 42, U.S. Code, Sec. 9620* regarding Federal Facilities explains DLA's role.

I've also included a copy of *Executive Order 12580: Superfund Implementation* which delegates responsibilities for many aspects of CERCLA to different federal executive departments and agencies.

Thanks for your dedication and commitment to the restoration of the Memphis Depot. I look forward to seeing you Thursday, August 19.
