Re: Concurrence with FOST #3 for the Defense Depot, Memphis Tennessee (DDMT)

Dear Mr. Dobbs:

The U.S. Environmental Protection Agency, Region 4, reviewed and commented on the draft Finding of Suitability to Transfer (FOST), #3 on January 26, 2004. We have reviewed the revised document, which covers 356.68 acres of the Main Installation at DDMT. Our comments were adequately incorporated, and EPA hereby concurs with the FOST.

If you have any questions, Please contact me at 404/562-8553.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Wm. Turpin Ballard", is written above the typed name.

Wm. Turpin Ballard, RPM
Federal Facilities Branch
