Re: Completeness Determination  
Corrective Action Permit Application, March 29, 2004  
Defense Depot Memphis Tennessee (DDMT)  
EPA I.D. Number: TN4 210 020 570

Dear Mr. Dobbs:

The Tennessee Department of Environment and Conservation (TDEC) has completed its review of your hazardous waste Part A and B Corrective Action Permit Application, including the documents submitted by MACTEC, on your behalf, in response to the June 24, 2004, Request for Additional Information. Based on this review, which is authorized pursuant to Tennessee Rule 1200-1-11-.07(7)(b)1, your application has been determined to be complete. A draft permit is currently being readied for public notice. The process includes a public hearing and request for comment. Mary Evans will contact you and coordinate the public participation. If you have any questions concerning the permitting process, please contact Mr. Clayton Bullington at (615) 532-0859 or [clayton.bullington@state.tn.us](mailto:clayton.bullington@state.tn.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Apple".
