Subject: BRAC Cleanup Plan, Version 8
Former Defense Depot Memphis Tennessee (DDMT)

Dear Sirs:

Defense Logistics Agency (DLA) hereby requests a 20-day extension for submittal of the BRAC Cleanup Plan (BCP), Version 8. The BCP is being prepared in part to meet the requirements of Section XXI. of the Federal Facilities Agreement (FFA) for Defense Distribution Depot Memphis Tennessee (DDMT), effective March 6, 1995. The BCP replaces the Site Management Plan referenced in the FFA; the purpose of the SMP is to set forth the schedule under which DLA will conduct all response actions at DDMT, including the submission of primary documents. The schedule is currently being revised to incorporate the early implementation of selected remedy currently underway. The current Master Schedule lists November 30, 2004 as the submittal date. DLA proposes to provide the BCP for your review on or before December 20, 2004.

Your assistance in this matter is greatly appreciated.
