Dear Mr. Dobbs:

Please be advised that effective July 16, 2007, Jamie Woods will be replacing me as the BCT representative and project manager for the former Defense Distribution Depot, Memphis, Tennessee. Per section XIII, paragraph b of the Federal Facilities Agreement between the Defense Logistics Agency, U.S. EPA and TDEC, this letter will serve as official notification of this change in project management.

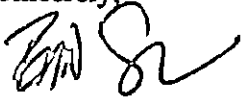

Jamie's contact information is as follows:

I will remain involved with the Memphis Defense Depot site for the coming months to aid with the transition of the project and will be available for any questions or assistance at any time. I have enjoyed my time on this project. The BCT operates well and has made significant progress in the past few years. I have every confidence that that progress will continue as Jamie takes on the project management role for TDEC.
