Notice of Public Comment Period and Public Meeting The former Memphis Depot Revised Proposed Cleanup Plan for Dunn Field

File:
M.D. 190.200.010

955

955

1

The Defense Logistics Agency will hold a 30-day public comment period beginning October 27, 2008, and ending November 25, 2008, to provide citizens the opportunity to comment on the changes proposed to the cleanup remedies for soil and groundwater at Dunn Field selected in the Dunn Field Record of Decision (ROD) signed in April 2004.

The fundamental change proposed to the selected remedies for the 2004 Dunn Field ROD that requires public comment includes:

- Air sparging (AS) and soil vapor extraction (SVE) instead of a Permeable Reactive Barrier to treat shallow groundwater that has moved to the north west of Dunn Field. AS injects air into the groundwater causing the solvents to turn to vapor. The SVE system will pull the vapors into a treatment system that will filter the vapors to safely remove the solvents. The proposed location for the AS/SVE system is along the south side of Menager Road at the Memphis Light, Gas and Water Division (MLGW) substation.

The Environmental Protection Agency and Tennessee Department of Environment and Conservation will review the effectiveness of the cleanup remedies at five-year intervals.

The 30-day public comment period will begin October 27, 2008.

Copies of the Dunn Field Revised Proposed Plan are available for public review at the former Memphis Depot's Information Repository located at 2245 Truitt Street, within the Memphis Depot Business Park.

Written comments can be submitted to: The Former Memphis Depot, BRAC
Environmental Coordinator, 2245 Truitt Street, Memphis, TN 38114
Fax (901) 774-3667
Email michael.dobbs@dla.mil or stacy.umstead@dla.mil

Verbal comments can also be submitted via the Community Information Line at (901) 774-3683.

Comments can also be made in person at the public meeting.

- **When:** **November 13, 2008**
6:00 – 6:30 p.m. – Presentation
Technical summary of proposed changes to selected remedy in the Dunn Field Record of Decision
6:30 – 7:30 p.m. – Public Comment Period
- **Where:** **Ruth Tate Senior Center**
1620 Marjorie Street
Memphis, TN 38106

Please note that written responses to public comments will be included in a Responsiveness Summary that will be made available to the public at the Information Repository in the final Dunn Field Record of Decision Amendment.

For more information on the public comment period or public meeting, or to ensure someone is available to assist you at the Information Repository, please contact the Community Information Line at (901) 774-3683.
