**Subject: Final Site Investigation Report and Decision Document for the
Former Rifle/Machine Gun Range, Parcel 104Q**

Dear Mr. Coker:

Enclosed are replacement pages comprising the final site investigation report for the subject site. ADEM and EPA both concurred on the draft-final report as documented in the attached letters dated July 21, 2005, and January 27, 2004. Because both agencies concurred, only the report's cover, spine, and title page required revision. Please update your file copy of the SI report with the enclosed materials and remove the existing draft disclaimer page. Also enclosed is the final decision document for this site. PDF versions of both documents are provided on compact disc.

At your request, copies of this submittal are being distributed according to the distribution list below. If you have questions, or need further information, please contact me at (865) 694-7361.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen G. Moran".
