Dear Mr. Coker:

I am enclosing one copy each (including compact disc) of the subject documents. Responses to EPA comments on the draft SI report were discussed via teleconference on March 13, 2003. During the conference call, EPA indicated that the responses were acceptable. ADEM previously concurred with the recommendation for "No Further Action" and unrestricted land reuse. Please review the enclosed comment responses and, if you agree that the changes to the document are satisfactory, provide a letter of concurrence.

At your request, I have distributed copies of these documents as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

Jeanne A. Yacoub, P.E.
Project Manager
