**Subject: Final, Revision 1, Site Investigation Report, Ground Scar South of the
Autocraft Shop, Parcel 157(7)**

Dear Mr. Pope:

I am enclosing one copy of the subject document. As you will recall, this site was discussed during the December 2001 BCT Meeting. During that meeting, the BCT agreed that IT would revise the document to include additional language to support risk management decisions, as requested by the Alabama Department of Environmental Management. The conclusion for "No Further Action" and unrestricted land reuse at this site remains unchanged. At the direction of the BCT, the Decision Document for Parcel 157(7) was not revised.

At your request, I have distributed copies of these documents as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

A handwritten signature in black ink that reads 'Stephen A. Moran for'. The signature is written in a cursive, somewhat stylized script.
