Dear Mr. Coker:

I am enclosing one copy each (including compact disc) of the subject documents. Please note that responses to ADEM and EPA comments on the draft-final SI report were discussed at the February 2003 BCT meeting. During that meeting, ADEM and EPA gave the responses conditional approval. Please review the enclosed comment responses and, if you agree that the changes are acceptable, provide a letter of concurrence.

At your request, I have distributed copies of these documents as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

Shaw Environmental, Inc.
