**RE: Draft Decision Document for No Further Action at the Indoor Pistol Ranges  
Buildings 141 (Parcel 16Q) and Building 143 (Parcel 217Q)

Dear Mr. Levy:

The Alabama Department of Environmental Management has received and reviewed the Draft Decision Document prepared for the Indoor Pistol Ranges at Building 141 (Parcel 16Q) and Building 143 (Parcel 217Q), Fort McClellan, Calhoun County, Alabama. As a result of our review, ADEM concurs with the No Further Action decision for Parcels 16Q and 217Q. However, if new information and/or future regulations justify a reevaluation of the subject parcels, the Department will expect the US Army to assume responsibility for this action.

For any questions or concerns regarding this matter please contact Mr. Chris Johnson at 334-271-7789 or email at [clj@adem.state.al.us](mailto:clj@adem.state.al.us).
