Final Decision Document for the Former Ordnance Motor Repair Area,
Parcels 75(7), 5(7), 6(7), 41(7), and 42(7)**

Dear Mr. Pope:

I am enclosing one copy each of the subject documents. As you will recall, this site was discussed during several BCT and on-board review meetings at Fort McClellan. Based on those discussions and on the results of additional confirmation soil sampling requested by EPA and ADEM, the BCT agreed to "No Further Action" and unrestricted land reuse at this site. Written comments received on the Draft SI Report and Decision Document have been addressed and are incorporated in the Final documents.

At your request, I have distributed copies of these documents as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Jeanne A. Yacoub', is written over the typed name.
