RE: ADEM Review and Concurrence: Amended Well Abandonment Report for Iron Mountain Road Ranges; dated August 3, 2020
Fort McClellan, Calhoun County, Alabama
Facility I.D. No. AL4210020562

Dear Mr. Odom:

The Alabama Department of Environmental Management (ADEM or the Department) has completed its review of the McClellan Development Authority's (MDA) Amended Well Abandonment Report for Iron Mountain Road Ranges. ADEM notes that monitoring well HR-69Q-MW02 was improperly abandoned October, 2019. Following a conference call between ADEM and the MDA on January 22, 2020 to discuss the best course of action for the aforementioned well, MDA performed additional well abandonment activities on July 15, 2020. Based on this review, ADEM agrees that the well has been abandoned properly and concurs with the subject report.

If you have any questions or concerns regarding this matter, please contact Mr. William Overstreet at 334-270-5646 or via email at william.overstreet@adem.alabama.gov.

Sincerely,

Jason Wilson, Chief
Governmental Hazardous Waste Branch
Land Division
