Dear Mr. Scott:

The Alabama Department of Environmental Management (ADEM or the Department) has reviewed the MDA's *Final Corrective Measures Effectiveness Report (CMER), June 2015 to March 2016 Monitoring Events Training Area T-6 (Naylor Field), Parcel 183(6) and Cane Creek Training Area, Parcel 510(7)*. The MDA submitted slip pages on June 1, 2017 as responses to ADEM's comments on the draft document. The Department's comments were adequately addressed; therefore, the Department requested that the MDA submit a final CMER incorporating all replacement pages for review in a letter dated February 20, 2018. The Department concurs with the Final CMER.

If you have any questions concerning this matter, please contact Mrs. Brandi Little of the Remediation Engineering Section at 334-274-4226 or via email at blittle@adem.alabama.gov.
