Dear Mr. Odom:

The Alabama Department of Environmental Management (ADEM or the Department) has completed the review of the McClellan Development Authority's (MDA) *Responses to Comments and Revised CMER*. The Department's June 18, 2019 comment letter requested edits to the document and reiterated a request for installation of additional transitional wells that was included in ADEM's June 14, 2019 comment letter for MDA's Corrective Measures Implementation Report (CMIR). The Department considers all comments to be resolved except for Comment 1, which will be addressed with the CMIR. The Revised CMER includes all requested edits; therefore, ADEM concurs with the subject document.

If you have any questions concerning this matter, please contact Mrs. Brandi Little of the Remediation Engineering Section at 334-274-4226 or via email at [blittle@adem.alabama.gov](mailto:blittle@adem.alabama.gov).

Sincerely,

Jason Wilson, Chief
