SUBJECT: Response to ADEM Review and Comment dated May 16, 2019: *Corrective Measures Implementation Report, Former Small Weapons Repair Shop, Parcel 66(7)*, dated March 11, 2019

Dear Mr. Wilson,

The Alabama Department of Environmental Management (ADEM) provided a comment on the subject document that the results of the pre-injection sampling were not included in the *Corrective Measures Implementation Report (CMIR)*. A revised CMIR is attached with the pre-injection sampling results (tables, figures, and other supporting data) included as Appendix E.

Please contact me at (256) 847-0780 (Anniston) or (770) 594-0331 (Atlanta) should you have any questions or comments.

Sincerely,
Matrix Environmental Services, LLC
